FOR IMMEDIATE RELEASE

IMMOSTAT RESULTS FOR Q3 2025

Paris, Monday 6 October 2025

Every quarter, ImmoStat, an independent entity pooling data for the four main brokers in French Commercial Real Estate (BNP Paribas Real Estate, CBRE, JLL and Cushman & Wakefield) presents its key indicators for the Greater Paris Region.

The present release covers:

- the office take-up both new lettings and sales to occupiers *(with the contribution of EVOLIS)*
- the office immediate supply and average headline rent
- the investment volume in France and the average price in the Greater Paris Region for offices
- the warehouse logistics take-up in France *(with the contribution of EOL)*

OFFICES IN THE GREATER PARIS REGION

At the end of September 2025, **office take-up in the Greater Paris Region reached 1,193,000 sqm which is** down by 8% compared to the end of September **2024**. The third quarter 2025 has totalled **408,200 sqm**, **down by 5%** vs Q3 2024.

Office immediate supply on September 30th 2025 in the Greater Paris Region is estimated at **6,126,000 sqm**, **up** by **17%** y-o-y.

Based on transactions of the quarter, **the headline rent of offices** is on average**:**

- **€ 466 /sqm pa**, excluding taxes and charges **for second-hand space**, up by 2% over a year ;
- **€ 449 /sqm pa**, excluding taxes and charges **for new or refurbished space**, up by 1% over a year.

The headline rent is defined in lease contracts **regardless of incentives**, whose level was 28.2% last quarter and will be updated **next month for Q3 2025.**

ABOUT IMMOSTAT

ImmoStat is an independent entity (French legal form GIE i.e. "Groupement d'Intérêt Economique") created in 2001 by the main brokers in French Commercial Real Estate: BNP Paribas Real Estate, CBRE, JLL and Cushman & Wakefield.

With common rules, ImmoStat is able to deliver improved information to its members as well as acknowledged statistics about supply, demand and prices to all Real Estate professionals, occupiers or investors.

This unique initiative greatly enhances market transparency in the Paris Region by filling the role of a market observatory that fosters its international attractiveness.
